Committee Chair: Rea Heatherington

### Upcoming events

- Snowman Showcase – Prizes selected - 3 Godiva gift baskets. Determined that committee will vote on winners, entries must include a photo, Rea will report when snow conditions are right for contest to start. Kate created website entry form.

### Planning –

- Screen share of the 2022 event calendar for committee approval
- Reviewed the musical entertainment booked for Spark events:
  - Thumpin' - June, Purple Stardust (Bowie/Prince) - July, Hazel Miller & The Collective - August.
  - Not yet booked - Hops Garden Happy Hour (August)
  - Discussed the stage options to provide better surface / more shade.
  - Agreed to rebook the same DJ from Pooch Plunge for the same event this year and for the resident welcome mixer, reviews were positive last year.
- Craft beer vendor confirmed with Two22 Brew for 2022 dates. Price will increase slightly over last year.
- Holiday carriage confirmed for December 2022 date. Deposit has been mailed.
- Discussed the resident welcome mixer- it will be for existing and new residents. It will serve as a key fob pickup location and happy hour event the day before the pool opens. The event should be held outside the pool gates since the pool will be ready for the season but not yet open and no lifeguards in place. Will book a DJ. Rea suggested that we distribute materials to include a trail map, business card for District management, an events flyer, and an orientation sheet that he will create.
- Discussed Easter event, decided to make final plans at the March meeting about whether the egg hunt portion will return. We will need volunteers for this event. Kate will inventory supplies already on hand and purchase what we need.

### Resident participation –

Rea suggests we ask for event volunteers and see who will 'grow into' a regular participant on the planning committee. He created an email newsletter blurb to be sent out.

*Future meeting dates in 2022: 3/17, 4/21, 5/19, 6/16, 7/21, 8/18, 9/15, 10/20, 11/17.*
