

Inspiration Social Committee Minutes

May 19th, 2022 | 5-6pm via Zoom

Attendees: Rea Heatherington (Chair), Mark Kinslow, Kate Innes, Joe Ducey, Marrium Khan

There were no events in the past month to review.

Upcoming event:

- Resident Welcome Mixer will be held Friday 5/27 5-7pm – live DJ, beer/wine/refreshments, lawn games, pool fob pickup. The new pool monitors & Public Alliance will staff this event. Rea and Marrium volunteered to help as hosts and photo takers.

Future event planning

- Trails Day on June 4th will have a community clean-up element but the trash truck is not available. There will not be a shredding truck this year as committee agrees it is a high cost with relatively low usage. Rea will check with cycling club leader about leading a bike tour. We'll grill hot dogs and serve chips and soda.
- Field Day on June 10th will be an opportunity to use some of our new lawn and sports games. We will have some combination of tug of war, inflatable 'human soccer', hula hoops, hackey sacks, yard pong, cornhole, giant jenga, and sand volleyball. Joe volunteered to help with volleyball.
- June Spark "Inspiration at Play" on June 17th will be a prime chance for us to use our new games and we'll bring back the Bubble Tower to add a kids' activity near the food trucks. The Fun Productions quote was too expensive for games we don't get to keep, purchasing makes more sense. We'll solicit for resident volunteers: (1) Photos & floater 6-8pm (2) Wristbands 6-7pm (3) Wristbands 7-8pm (4) Vendor liaison (check on band and food trucks).
- July Spark "Inspiration Creation" on July 22nd idea. We can add a photo booth option, the committee is in favor of this plus bringing back the caricature artists and face painters.

Volunteer & staffing update

- Kate will make volunteer requests in the newsletter and any sign-ups and committee will cross-post to the Facebook group. Hannah (new pool manager) starts Monday and will organize our event supplies and will try to get high school students needing volunteer credit hours. Irrigation turnoffs have been requested to avoid sprinkling our event guests

Resident clubs

- Poker club is the first club on the Resident Clubs page of our website (under Amenities). Joe said we can add the volleyball club and he'll serve as initial contact.
-

Community Center committee recap

- Mark / Rea attended the kickoff meeting on 5/4 and provided a brief recap and noted that the building's purpose needs to be further clarified at the next Board meeting.

Future meeting dates: 6/16, 7/21, 8/18, 9/15, 10/20, 11/17. Next meeting: June 16th at 5pm
