## **MINUTES**

**March 1, 2023 | 5:30 P.M via Zoom**

Attendees: Chris Bolz, Rick Forsman, David Besel, and Jon Doyle. Members of the public: None. Public Alliance: Geol Scheirman.

Meeting was called to order at 5:32 p.m.

The agenda was approved and the minutes from the February 1, 2023 meeting were approved.

### **Design Status**

Mr. Scheirman presented the update to the committee. The Board of Directors had approved additional work from the Civil Engineers for the City submittal through the change order process. The City of Aurora sees this project as an amendment which requires review of prior submissions. Currently no additional services are needing approval from the Board of Directors. Mr. Scheirman will request update timeline from Quintessence Design and update Board and Committee.

### **Community Comment and Discussion**

Mr. Forsman briefly discussed his involvement in the ballot issue and how this would be a great meeting place for all ages community to provide an open forum for questions; similar to the building the Hilltop community enjoys.

### **Action Items and Additional Committee Input**

Mr. Bolz asked about the public hearings and when that would occur. Mr. Scheirman will get more specifics when discussing timeline with Quintessence Design.

The meeting was adjourned at 5:47 p.m.
