Board Meeting Notes

Board approved Maurice Smith as a member of the Insp Club Comm. The Board approved the Inspiration Club Use Policy and forwarded it to Legal for comment.

Scheduling of the Inspiration Club Building

The committee discussed how to schedule use of the building. Priority would be: 1. Inspiration wide events, 2. Inspiration group events, 3. Private events. It was decided to meet on July 30 with the INSPO group to draft out 2026 and late 2025 use of the building.

Next Event at the Inspiration Club Building

The committee discussed a number of options for an Inspiration wide event at the building.

1. Kids Movie Night
2. Trivia Night – possibly both Adult & Kids

With the SPARK events continuing through the Summer, it was felt that there is no rush in scheduling a “building event”.

Public Art at the Club Building

Kim Kelleher briefed the committee on the meeting with Concrete Couch regarding art possibilities. We are awaiting Concrete Couch to give us a few options. Once we have a rough idea of what the options will cost, we plan to ask the board for a budget figure for the public art.

Items to be considered for the INSPIRATION CLUB USE POLICY

Religious Services being held at the building? Firearms/Weapons policy for the building? Both of these items should be forwarded to Legal to be commented on.

A working meeting with the INSPO group to build out the 2026 event schedule is planned for July 30 (5pm – 7pm) at the building.

Next Insp Club Committee meeting – Aug 11, 5:30pm

Meeting adjourned at 6:55pm.
