Services Provided

Inspiration Metropolitan District, The District, a quasi-municipal corporation and a political subdivision of the State of Colorado, was organized by order and decree of the District Court for the City of Aurora on May 30, 2002 and is governed pursuant to provisions of the Colorado Special District Act (Title 32, Article 1, Colorado Revised Statutes). On February 10, 2017, the District formally changed its name from Rocking Horse Metropolitan District No. 2 to Inspiration Metropolitan District. The District’s service area is located in the City of Aurora (the “City”) in Douglas County (the “County”). The District was established to provide financing for the design, acquisition, installation, construction and completion of public improvements and services, including water, sanitation, street, safety protection, park and recreation, transportation, television relay and translation and mosquito control improvements and services.

The District has no employees, and all administrative functions are contracted.

The District prepares its budget on the modified accrual basis of accounting in accordance with the requirements of Colorado Revised Statutes C.R.S. 29-1-105 using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions disclosed herein are those that the District believes are significant to the budget. There will usually be differences between the budget and actual results because events and circumstances frequently do not occur as expected, and those differences may be material.

Revenues

Property Taxes

Property taxes are levied by the District’s Board of Directors. The levy is based on assessed valuations determined by the County Assessor generally as of January 1 of each year. The levy is normally set by December 15 by certification to the County Commissioners to put the tax lien on the individual properties as of January 1 of the following year. The County Treasurer collects the determined taxes during the ensuing calendar year. The taxes are payable by April or, if in equal installments, at the taxpayer’s election, in February and June. Delinquent taxpayers are notified in August and generally sales of the tax liens on delinquent properties are held in November or December. The County Treasurer remits the taxes collected monthly to the District.

The calculation of the taxes levied is displayed on the Property Tax Summary page of the budget using the adopted mill levy imposed by the District.

For property tax collection year 2026, HB24B-1001 set the assessment rates and actual value reductions as follows:

Category	Rate	Category	Rate
Single-Family Residential	6.25%	Agricultural Land	27.00%
Multi-Family Residential	6.25%	Renewable Energy Land	27.00%
Commercial	27.00%	Vacant Land	27.00%
Industrial	27.00%	Personal Property	27.00%

Revenues (Continued)

Property Taxes – Regional ARI

The Amended and Restated Consolidated Service Plan for RockingHorse Metropolitan Districts Nos. 1 and 2, approved by the City of Aurora on August 6, 2004 (the “Amended and Restated Service Plan”), was subsequently amended by a First Amendment approved by the City of Aurora on March 24, 2025 (the “First Amendment”, and together with the Amended and Restated Service Plan, the “Service Plan”).

Since the time the original Service Plan was approved, the District entered into the South Aurora Regional Improvement Authority Establishment Agreement (the “Establishment Agreement”) and is a member district of the South Aurora Regional Improvement Authority (“SARIA”). The Establishment Agreement provides that SARIA is organized for the purpose of planning designing, constructing, installing, acquiring, relocating, redeveloping and financing regional improvements designated in the ARI Master Plans.

The First Amendment, approved by the City of Aurora on March 24, 2025, amended the definition of ARI Mill Levy in Section 2 of the Amended and Restated Service Plan so that the District shall impose the ARI Mill Levy as follows:

- one (1) mill for collection beginning in the first year of collection of a debt service mill levy by the district and continuing in each year thereafter through the twentieth (20th) year;
- five (5) mills from the twenty-first (21st) year through the fortieth (40th) year or the date of repayment of the debt incurred for Public Improvements, other than Regional Improvements, which ever first occurs; and
- for an additional ten (10) years, the mill levy shall be equal to the lesser of 30 mills or the mill levy imposed by such district in the tax year 2023 for collection in 2024.

Pursuant to the First Amendment, ARI mill levies may be adjusted for changes in the method of calculating assessment valuation or any constitutionally mandated tax credit, or abatement. Such mill levies may be increased or decreased to reflect such changes, such increases or decreases to be determined by the Board in good faith (such determination to be binding and final) so that to the extent possible, the actual tax revenues generated by the mill levy, as adjusted for changes occurring after January 1, 2004, are neither diminished nor enhanced as a result of such changes. For purposes of the foregoing, a change in the ratio of actual valuation shall be deemed to be a change in the method of calculating assessed valuation.

The District first imposed a mill levy for debt service for the collection year 2011. Consistent with the Service Plan, and the Establishment Agreement, the District has pledged its ARI Mill Levy to SARIA.

In order to fund projects, SARIA may issue revenue bonds secured by the pledged revenues of the ARI Mill Levies by each of its member districts. The District remits the property taxes generated from the District imposed ARI mill levy, net of the cost of collections, to SARIA. SARIA issued its Series 2018 Special Revenue Bonds in the principal amount of \$11,265,000 on July 2, 2025, which were refunded in full by its Series 2025 Special Revenue Refunding and Improvement Bonds in the principal amount of \$39,660,000 that were issued on July 2, 2025.

Revenues (Continued)

Specific Ownership Taxes

Specific ownership taxes are set by the State and collected by the County Treasurer, primarily on vehicle licensing within the County as a whole. The specific ownership taxes are allocated by the County Treasurer to all taxing entities within the County. The budget assumes that the District's share will be equal to approximately 7.5% of all the property taxes collected, excluding property taxes collected for ARI.

Interest Income

Interest earned on the District's available funds has been estimated based on an average interest rate of approximately 4.0%.

System Development Fees

On October 20, 2015, the District established a one-time system development fee of \$3,500 per residential unit for the overall cost of providing amenities and facilities benefitting property and inhabitants within the District. The Development Fee is automatically increased by the greater of two percent (2%) or the annual increase in the Consumer Price Index, Denver-Aurora-Lakewood area as published by the Bureau of Labor Statistics (the "Index"), effective January 1 of every year, both rounded to the nearest five dollars (\$5.00). The first adjustment occurred January 1, 2024. The annual fee for 2026 is \$3,740 per lot. The system development fee is calculated to defray the cost of funding Development Costs and reasonably distributes the burden in a manner based on the benefits received by persons paying and using the Facilities. The fees are payable by homebuilders at the time of issuance of a building permit.

Operating Fees

The District adopted a Resolution Concerning the Imposition of an Operations Fee on October 20, 2015, which has been subsequently updated. The Board does expect to raise the current Operations Fees for 2026. The recommended Fee for each residential unit and each vacant lot is \$331.50 per quarter and \$165.75 per quarter, respectively. The District also imposes a Transfer Fee on each residential unit transfer and each vacant lot transfer of \$500.

Expenditures

Administrative and Operating Expenditures

Administrative and operating expenditures have been provided based on estimates of the District's Board of Directors and consultants and include the services necessary to maintain the District's administrative viability and operations and maintenance of the District owned public facilities such as legal, accounting, insurance, utilities, landscaping, facilities management, snow plowing, and other expenses.

County Treasurer's Fees

County Treasurer's fees have been computed at 1.5% of property tax collections.
