Public Comments: none

Grant Adams from Nine Dot presented the outside artwork design for the Inspiration Club Building. The artist is Joe Norman. The design features a female athlete and hawks. The dimensional space for the sculpture is a 3D rectangle 7' tall x 2' x 5'. Placement location was discussed. Dominique is concerned that our first choice location could be hit by a car. She also suggested placement should be within the camera range of the building and pool. Dominique is going to check with the City of Aurora in regard to the requirements of location. Some of the committee members walked around the outdoor space after the meeting to look for alternative locations.

Events from April (and first part of May):

- April 10, 2026: Trivia Night: Only 15 participants. Will hold off on another Trivia Night until fall.
- April 18, 2026: Butterfly Bloom: 50+ participants.
- April 23, 2026: City of Aurora Vegetable Gardening presentation: 10 participants – Presenter was extremely knowledgeable and interesting.
- May 1, 2026: Game Night: not enough participants - Will hold off on another Game Night until fall.
- May 9, 2026: Tie Dye Event: 36 participants

Pam Sverson and Kim suggested using the signs from the Open House in 2025 to help advertised community events throughout the community to improve both attendance and communication. Dominique emphasized that one of the main concerns of the community through the Strategic Plan process was communication.

The governing documents/policies were placed in the Board packet for discussion at the Board meeting on May 12, 2026. Rea said he had received comments from Rick Forsman with a few tweaks.

Upcoming scheduled events:

- May 16, 2026: Composting Event at Pathfinder Park: Dumpsters and 5280 staff will be present to facilitate this event.
- May 23, 2026: Pool Opening: Music, Drinks and Snacks will be available
- May 30, 2026: Movie Night (rescheduled from March)
- June 6-7, 2026: Community Garage Sale: 30+ homes have signed up to participate in this event.

For the Board meeting on May 12th, Rea will recap the events in April and upcoming events for May. He will discuss the governing documents/policies and ask for approval of new pool furniture to try this season.

Other items to consider: Jaci asked, for the Hilltop Social Committee, about the procedure for using the Inspiration Club building for Hilltop social events during the potential Hilltop building renovations. It was decided that the Private Reservation system should be used.

Meeting was adjourned at 6:35pm.

Respectfully submitted by Jaci Gentile.
